

# Important Information to Keep in Mind When Pre-Ordering Your Electric

- Located in the rear center of each inline booth is an outlet. If you
  haven't pre-purchased electric, and we find you to be plugged in, you
  will be charged the regular rate on-site.
- Edlen conducts an electric usage audit during the event. You will be charged for the maximum usage per device (shown on the UL tag) at the regular price rate. If you are using more than the original wattage that you ordered, the overage will also be charged at the regular rate.

Still have questions? Please call us at (314) 342-5324. We will be happy to evaluate your needs.

The more information you give, the better we can assist you!

# Let us help save you TIME and MONEY!

- ☑ Submit your **Complete Order** *with* payment by our Deadline Date: *January 12, 2022* to save *MONEY*.
- ☑ Submit a detailed **Floor Plan** with your order to save you *TIME*.
  - The following booths require floor plans:
    - Island booths (your booth does not touch another booth)
    - High voltage orders
    - Inline booths with drops other than the two provided at the back center of the booth
  - o A complete floor plan will include all of the following:
    - Main drop location (your preference as to where your power (box, cords, etc.) will originate
    - Booth orientation (which way does your booth face/who is your neighbor)
    - Exact dimensions for outlet locations
- ☑ If your booth requires a floor plan, submit a completed **Edlen Services Order Form** to save *TIME* and *MONEY*.
  - Always fill out Step 4.
  - Determine whether you would like us to complete your installation prior to your arrival or if you would like to supervise installation.
- ☑ If your booth *requires* an air line, please make sure you indicate the **AIR LINE SIZE** needed (i.e.1/4, 3/8", 1/2",3/4") and **CFM** on the order form. No air lines will be installed without this information.
- ☑ Does your booth have lights, mounted plasmas, overhead motors or electric signs? Please, refer to the **Edlen Services Order Form** for a complete list of work that must be performed by the union. Scheduling this labor in advance can save both *TIME* and *MONEY*.

Still have questions? Please call us at (314)342-5324. We will be happy to evaluate your needs.

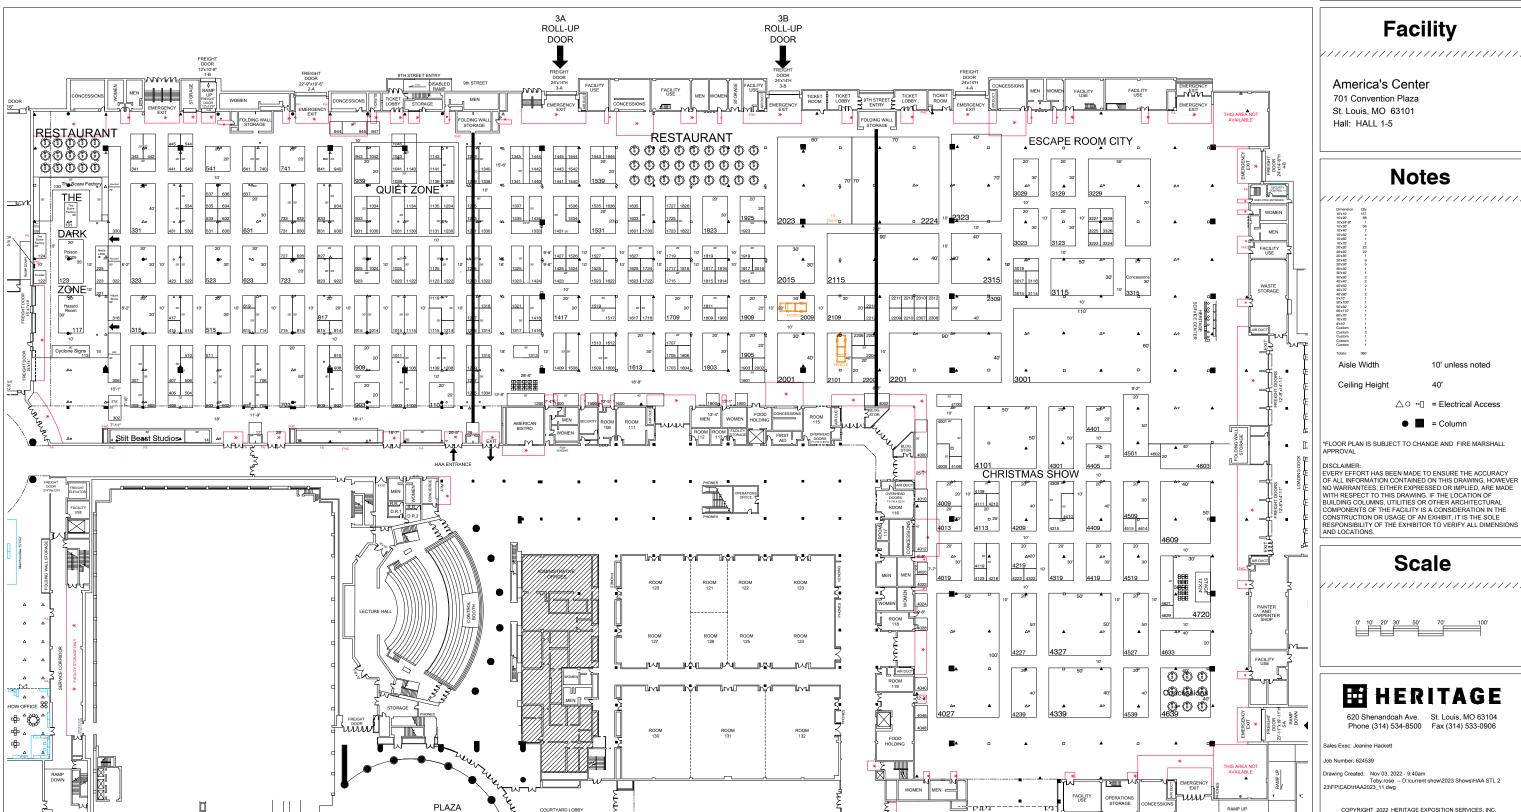

The more information you give, the better we can assist you!

#### FOR YOUR CONVENIENCE PLACE YOUR ORDER ONLINE AT WWW.EDLEN.COM

# COMPLETE THE STEPS BELOW TO PLACE UTILITY ORDERS

## Step 1 Complete the Method of Payment

This form must be completed and returned with the order forms below.

# Step 2 Complete Utility Order Forms as Required

- A. Electrical Order
- B. Plumbing Order
- C. Lighting Order
- D. Booth Cleaning
- E. Floral

#### **Step 3 Review Electrical Labor Instructions**

This form will help you determine if you require electrical labor in your booth.

- A. What electrical work in your booth space needs to be performed by Edlen Electricians.
- B. How power is delivered to your booth in the facility (from the floor or ceiling).
- C. What other forms are required in order to schedule and pre-pay your estimated labor cost.

#### Step 4 Complete Additional Labor forms as Required

Forms include the following:

## A. Electrical Distribution

This form is used for the distribution of power on the floor in your booth space. The form should be completed by <u>all island</u> booths. Inline and peninsula booths need to provide this information only if power is required at any location other than the rear of the booth space.

#### **B. Plumbing Distribution**

This form is used for the distribution of air/water & drain services in your booth space. The form should be completed by <u>all island</u> booths. Inline and peninsula booths need to provide this information only if plumbing is required at any location other than the rear of the booth space.

#### **Step 5** Complete the Electrical & Plumbing Layout Forms (if applicable)

All island booths must return an electrical layout and plumbing layout (if applicable) indicating a main distribution point as well as any other locations requiring power or plumbing services. Inline and peninsula booths need to return an electrical layout only if power is needed at any other location than the rear of the booth.

#### **TERMS & CONDITIONS**

- Order with payment & floor plan (for island booths or any booth requiring distribution of electrical services) must be received no later than the deadline date on the order form for advance payment rates to apply. Orders received without payment and required floor plan will not be guaranteed advance rates. Orders received after the deadline date will be charged at the regular rate. A purchase order or photocopy of a check are not considered valid forms of payment for securing advanced rate.
- 2. To receive advance rates a complete order inclusive of a scaled electrical layout must be received before the advance payment deadline date. The scaled layout must match the order and include power locations and orientation. Any changes or additional services received after the deadline date will be charged the regular payment price.
- 3. In the event order totals are calculated incorrectly, Edlen reserves the right to make the necessary corrections and charge the corrected amount. Exhibitors will be notified by email of any such corrections.
- 4. Outlet rates listed include bringing services to one location at the rear of inline and peninsula booths.
- 5. Outlet rates listed **do not** include the connection of any equipment, special wiring, or distribution of the outlets, to other than the standard locations within the booth space. Distribution to all other locations *regardless of booth type* require labor and is performed on a time and material basis. Exhibitors are invited to contact the local Edlen office to discuss any additional costs that may be incurred.
- 6. A separate outlet must be ordered for each location where an electrical service is required. 5 amps or 500 watts is the minimum amount of power that can be ordered for any one location. Power must be ordered according to peak amperage ratings.
- 7. Island Booths Booths that require power to be delivered to multiple locations within their booth space incur a minimum (1) hour labor charge for installation. The removal of this work will be charged a minimum (1/2) hour or (1/2) the total time of installation. Material charges will apply. Return a floor plan layout of your booth space indicating a main distribution point and all outlet locations with measurements and orientation. If a main distribution point is not provided, Edlen will deliver to the most convenient location.
- 8. There is a total (1) hour or (1/2) hour installation and (1/2) hour removal charge for Island Booths that require delivery to one location.
- 9. Labor rates are based on current wage scales and are subject to change in the event of a wage increase after rates have been published. A minimum charge of (1) hour labor will apply for all installation work. The removal of this work will be charged a minimum of 1/2 hour or 1/2 the total time of installation, plus material.
- 10. Edlen Supervision—A supervisory charge of 10% of the prevailing labor rate will apply to all labor that exceeds one hour.
- 11. For a dedicated outlet, order a 20 amp outlet.
- 12. No inverters, self contained power supplies or devices that convert battery power to 120 volt power allowed.
- 13. In the event 1000 watt overhead quartz lights cannot be mounted to existing catwalks in the convention hall, lift and labor charges will apply. Contact our local office to discuss any additional charges.
- 14. Edlen employees are authorized to cut floor coverings when essential for installation of services unless otherwise directed.
- 15. Edlen is the exclusive provider of all material and equipment used in the distribution of temporary electrical services throughout the exhibit hall including the exhibitor booth space. This material is provided on a rental basis ONLY and remains the property of Edlen. It shall be removed only by Edlen employees.
- 16. Any extension cords or power strips ordered on the front of this form should be picked up at the Exhibitor Service Center. Credit will not be not issued for unused items.
- 17. Standard wall and other permanent building utility outlets or sockets are not part of a booth space and may not be used by exhibitors unless electrical services have been ordered through Edlen.
- 18. All equipment regardless of source of power, must comply with federal, state and local codes. Edlen reserves the right to inspect all electrical devices and connections to ensure compliance with all codes, for which labor charges can be incurred. Edlen is required to refuse connections where the Exhibitor wiring or equipment is not in accordance with electrical codes.
- 19. All electrical equipment must be properly tagged and wired with complete information as to the type of current, voltage, phase, cycle, horsepower, etc., required for operation.
- 20. All Exhibitors' cords must be a minimum of 14 gauge, 3 wire and grounded. Two (2) wire extension cords are not allowed. All exposed, non-current carrying metal parts of fixed equipment which are liable to be energized, shall be grounded.
- 21. Payment in full must be rendered during the event. Exhibitors ARE NOT billed for services provided. Services may be interrupted if payment is not received.
- 22. Credit will not be given for services installed and not used. All orders are subject to a 25% cancellation fee if cancelled in writing and received by Edlen (21) calendar days or less prior to the first contracted event move in date. Except sales tax, Edlen will not refund overpayment in amounts less than \$50.00 unless specifically requested in writing.
- 23. If the event is cancelled within 90 days prior to the first contracted event move-in day all orders are subject to a 25% cancellation fee. No refunds will be issued for events cancelled on or after the first contracted event move-in day.
- 24. Claims will not be considered or adjustments made unless filed in writing by Exhibitor prior to the close of the event.
- 25. Exhibitor holds Edlen harmless for any and all losses of power beyond Edlen's control, including, but not limited to, losses due to utility company failure, permanent power distribution failure, power failure caused by vandalism, faulty Exhibitor equipment or overloads caused by Exhibitor.
- 26. It is agreed that in the event it becomes necessary to turn this matter over to an attorney for collection, or to file a lien, or foreclosure, or otherwise, Exhibitor will pay Edlen its attorney fees or applicable agency fees.
- 27. A service charge of 1.5% per month on any unpaid balances will be assessed starting 10 days after date of invoice. A \$25.00 service charge will be assessed for all returned checks and credit cards. Exhibitor agrees to reimburse Edlen for all applicable rental taxes.
- 28. Exhibitor hereby agrees to all terms and conditions outlined on all order forms and the Edlen General Data Protection Regulation (GDPR) privacy policy which can be reviewed by visiting: https://ordering.edlen.com/LegalNotices/Terms-Edlen-GDPR.pdf

#### COMMONLY ASKED QUESTIONS - WHERE WILL MY OUTLET BE LOCATED?

Outlets are located as depicted below for inline & peninsula booths. All other locations require labor on a time & material basis. Exhibitors with hard wall booths must make arrangements with Edlen to bring power inside the booth on a time and material basis.

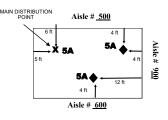

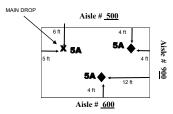

Aisle #\_\_\_\_

A scaled floor plan must accompany your order with main distribution point, add¹l outlet locations & booth orientation.

## LABOR ORDERING INSTRUCTIONS

#### Step 1 Review Jurisdiction Information Below

The work outlined under Electrical Jurisdiction below must be performed by Edlen Electricians and cannot be performed by any other union or I&D House. Determine the type of work required in your booth space and complete the corresponding labor forms. The Power Delivery section indicates if power typically comes from the ceiling or the floor which may impact your booth layout.

#### **Step 2 Complete the Appropriate Forms**

There are 2 different forms utilized to schedule labor in your booth space. This allows exhibitors to pre-pay the estimated labor cost. This is only an estimate. Final labor and/or lift cost may be greater or less depending on time required and minimum labor charges.

#### A. Electrical Distribution

This form is used for the distribution of power on the floor in your booth space. This form should be completed for <u>all island</u> booths. Inline and peninsula booths need to provide this information only if power is required at any other location than the rear of the booth space.

#### Step 3 Return the following forms to Edlen

Electrical Order, Method of Payment, applicable Labor Forms and Electrical Layout.

# **ELECTRICAL JURISDICTION**

#### **WORK REQUIRING EDLEN ELECTRICIANS**

- 1. Delivery of main power line to Island Booths only
- 2. Electrical distribution under carpet or overhead
- 3. Connection of all high voltage services
- 4. Hardwiring of any electrical apparatus

- 5. Installation of lighting hung from ceiling
- 6. Assembly & installation of lighting hung from ground supported truss
- 7. Installation of lighting & monitors
- 8. Installation & disconnect of powers packs/inverters

#### **POWER DELIVERY**

**Power is typically delivered from the floor** in this facility and is brought to one main distribution point. From this point it is distributed to all other locations in the booth space. Depending on the total power requirements an electrical panel may be placed at the main distribution point. Electrical panels utilize a minimum of 1'x1'6" floor space. Please call if you have any concerns.

# **ELECTRICAL DISTRIBUTION UNDER CARPET**

ALL Island booths MUST provide the information below. Inline and peninsula booths need to provide this information ONLY if power is required at any location other than the rear of the booth space. This information allows Edlen the opportunity to expedite move-in by having your power distribution complete prior to your scheduled move-in time. Complete all of the fields below including the "Labor Estimate" Section. Edlen will make every attempt to complete the work prior to your arrival, but it can not be guaranteed.

1. Provide an Electrical Layout Form:

A. Describe flooring:

PRINT NAME:

2. What date will you begin building your booth?

- A. The electrical layout must indicate each power outlet and its location with exact measurements.
- B. The electrical layout must reflect booth orientation. Use surrounding booth or aisle numbers.

3. Will you be utilizing any specialty floor covering other than carpet, such as vinyl or wood?

B. Estimated date and time flooring installation will begin. Date:

- C. Identify a main distribution point. Power is delivered to that point and then distributed to other locations. Inline or peninsula booths do not need to provide a main distribution point. Power will be located at the rear of the booth.
- D. If power is only required in one location in Island booths, indicate that location with measurements on your electrical layout.

| 4.          | Show site su  | pervisor:  |           |       |           |       |  |  |

**Connection of High Voltage Services** (208V - 480V)

**Installation of Booth Lighting and/or Monitors** 

The date and times completed below assist Edlen in scheduling electrical manpower. These times and number of men are not guaranteed. Otherwise, all requests are performed on a first come first serve basis. A representative must come to Edlen's service desk prior to each individual labor request time in order to confirm the booth is ready for labor. If labor is dispatched at the requested time and no "exhibitor supervision" is available, a minimum 1/2 hour labor charge per electrician applies.

Go to the exhibitors tab at www.edlen.com for an exact grid to match your booth space.

# POWER ORIGINATES FROM THE FLOOR IN THIS VENUE

Power is delivered from a floor port to a "main distribution point" in island booths and then distributed from that point. Indicate this location and all other outlet locations using the legend & grid below. Inline and peninsula booths need to provide this information only if power is needed at any other location than the rear of the booth. (See T&C page 4 for examples):

| INDICATE BOOTH TYPE | INDICATE SCALE & TOTAL SQ FT | OUTLET LEGEND                                 |
|---------------------|------------------------------|---|
| Island              | Example: 1 Square = 1 Foot   | X = Main Distribution Point ▲ = 5amp/500 watt |
| Inline              | Square = Ft                  | ◆ = 10amp/1000 watt ★ = 15amp/1500 watt       |

## OVERHEAD LIGHTING FIXTURES (Price includes power for the fixture)

Par can lights are attached to ceiling structure of the venue. A lift is required to hang the light, as well as 2 electrician's.

FIXTURE ADV REG = SUBTOTAL x QTY = TOTAL 1000 WATT PAR CAN 632.00 945.00

# **BOOTH LIGHTING (Price includes power for the fixture)**

Rates below are a Per Fixture cost. Pricing = Light rental + 1 hour labor to install and remove.

Labor is based on the Straight Time Labor rate. Prevailing rates will be applied.

- Pole lights are placed along the side rail or back wall of inline booths.
- Pole lights cannot be placed remotely.
   They must be secured to side rail or booth structure.

| FIXTURE                 | ADV   | REG   | + | LABOR | = | SUBTOTAL | X | QTY | = | TOTAL |

#### **BOOTH CLEANING TERMS & CONDITIONS**

- 1. Cleaning your exhibit area is not included in space rental.
- 2. Cleaning service can be ordered on site at the regular rate.
- Our exclusive cleaning contract will not permit other service contractors to provide this service.
- If you have any questions or need assistance with any orders items not listed, please call and ask for your Event Services Manager Representative.
- Full payment is due in advance or at show site before any service is provided. Purchase orders are not considered payment.
- It is your responsibility to advise our service center representative of any problem with any of your orders, and to check your invoice for accuracy prior to the close of the exhibition.
- 7. We require 100% prepayment of advanced orders, any orders or services placed at show site must be paid at show site. Payment must be in U.S. Funds and drawn on a U.S. Bank.
- 8. Should there be any unpaid balance after the close of the show, terms will be net, due and payable upon receipt of invoice. Effective 30 days after invoice date, any unpaid balance will bear a finance charge at the lesser on the maximum rate allowed by applicable law, or 1.5% per month, which is an annual percentage rate of 18%, and future orders will be on a prepayment basis only. If any finance charge hereunder exceeds the maximum rate allowed by applicable law, the finance charge shall automatically be reduced to the maximum rate allowed, and any excess finance charge received shall be either applied to reduce the principle unpaid balance or refunded to the payer.
- 9. This payment terms and conditions agreement shall be governed by and construed with the laws of the State of Missouri.
- Exhibitor hereby agrees to all terms and conditions outlined on all order forms and the Edlen General Data Protection Regulation (GDPR) privacy policy which can be reviewed by visiting: <a href="https://ordering.edlen.com/LegalNotices/Terms-Edlen-GDPR.pdf">https://ordering.edlen.com/LegalNotices/Terms-Edlen-GDPR.pdf</a>

# **PLUMBING JURISDICTION**

The work described below falls within the jurisdiction of Edlen Plumbers and cannot be performed by any other union, I&D house or exhibitor. Contact our office for clarification regarding scope of work.

· Delivery of Air, Water and Fill & Drain lines

- · Installation of lines delivered from overhead
- · Distribution of Air, Water & Drain lines under carpet

#### 1. REVIEW EACH SECTION AND COMPLETE LABOR ESTIMATE

#### A. Outlet Delivery & Removal

There is a minimum 1 hour labor charge for the delivery and 1/2 hour for the removal of each air, water and drain service. If a lift is required to drop services from overhead, a minimum 1 hour for installation and 1 hour for removal will apply.

#### B. Outlet Distribution Throughout Booth Space

Air, Water and Drain lines are brought to one location at the rear of inline, peninsula and island booths. If you require the distribution of services to any other location within the booth space, there is a minimum 1 hour labor charge for distribution and 1/2 hour for removal, or 1/2 the total time of installation, whichever is greater.

#### C. Outlet Connections

Connection to exhibitor equipment is included in the cost of the service.

#### 2. DISTRIBUTION OF SERVICES IN BOOTH SPACE

- A. Island Booths need to provide the following information:
  - 1. The plumbing layout must indicate each outlet and its location with exact measurements.
  - 2. Each location should indicate the type of service. All air locations must include CFM requirements.
  - 3. The plumbing layout must reflect booth orientation. Use surrounding booth or aisle numbers.
  - 4. Identify a main distribution point. Services are delivered to that point and then distributed to other locations.
- B. Inline or Peninsula booths must provide the same information with the exception of the main distribution point. The main distribution point will be located at the rear of the booth space.

|    | distribution point will be | located at the real of the booth space.                   |                 |         |
|----|----------------------------|---|-----------------|---------|
| C. | Date you will begin build  | ding your booth:  | Estimated time: |         |
| D. | Will you be utilizing any  | specialty floor covering other than carpet, such as vinyl | or wood?        |         |
|    | 1. Describe flooring: _    |   |                 |         |
| E. | What time do you estim     | ate needing the physical connection to your equipment?    | Date:           | _ Time: |
| F. | Show site supervisor: _    |   | Company:        |         |
|    | Cell #:                    | Email:  |                 |         |

G. This information allows Edlen the opportunity to expedite move-in by having your plumbing distribution complete prior to your scheduled move-in time. Complete the "Labor Estimate" Section below. Edlen will make every attempt to complete the work prior to your arrival.

# PLUMBING SERVICES ORIGINATE FROM THE FLOOR IN THIS VENUE

Air, water & drain services are delivered from a floor port to a "main distribution point" in island booths and then distributed from that point. Indicate this location and all other outlet locations using the legend & grid below. Inline and peninsula booths need to provide this information only if these services are needed at any other location than the rear of the booth. (See T&C page 4 for examples):

Adjacent Booth or Aisle #

#### PLUMBING TERMS, CONDITIONS & REGULATIONS

- 1. A complete order with payment and floor plan inclusive of a scaled layout (for island booths or any booth requiring distribution of plumbing services) must be received no later than the deadline date for advance payment rates to apply. Orders received without payment and required floor plan are not guaranteed advance rates. Orders received after the deadline date will be charged at the regular rate. A purchase order or photocopy of a check are not considered valid forms of payment for securing advanced rate.
- 2. To receive advance rates a complete order inclusive of a scaled plumbing layout must be received before the advance payment deadline date. The scaled layout must match the order and include plumbing locations and orientation. Any changes or additional services received after the deadline date will be charged the regular payment price.
- 3. In the event that totals are calculated incorrectly, Edlen reserves the right to make the necessary corrections. Exhibitors will be notified by email of any corrections made. This includes adding the required minimum CFM charges when applicable and labor charges.
- 4. All outlets will be installed on the floor at the back wall of inline and peninsula booths. All services ordered for island booths will be dropped to one location in the booth. Edlen will make every attempt to deliver these services to a location convenient to the exhibitor.
- 5. Distribution of services throughout the booth space, whether under the carpet, above the carpet or overhead is done on a time and material basis. Lift charges may also apply for overhead distribution.
- 6. Additional footage charges apply when an Exhibitor requires services that are further than 90 feet away from closest outlet and when dropped from overhead when services originate on the floor or columns.
- Labor charges apply when an exhibitor requires services to be dropped from overhead when services originate on the floor or columns.
- 8. The CFM requirements (Cubic Feet per Minute) determine the volume of air required to properly operate exhibitors equipment. CFM is a labor charge for sizing and installation of the service infrastructure.
- 9. In some instances a pump is required to drain services out of an exhibitor's booth. When this occurs, time & material charges apply. Exhibitors are encouraged to contact Edlen to discuss any potential additional costs.
- 10. Connection to exhibitor equipment is included in the cost of the service. Special equipment requiring company engineering or technicians for assembly, servicing, preparatory work and operation may be executed without Edlen plumbers.
- 11. Service outlet size is determined by the volume required. Air line size is dictated by the CFM requirements and air line terminations vary.
- 12. Compressed Air is supplied during show hours only. If compressed air is required for non-show hours call for a quote.
- 13. Wall, column and permanent building utility outlets are not part of booth space and are not to be used by exhibitors.
- 14. Unless otherwise directed, Edlen personnel are authorized to cut floor coverings to permit installing service(s) ordered.
- 15. Pressure for Water Services may vary. No guarantee can be made of minimum or maximum pressure. If pressure is critical, the exhibitor should arrange to have a pressure regulator valve installed.
- 16. Natural Gas "when available" is not regulated by Edlen and is at the facility pressure. Call for price quote when available.
- 17. Gas & Cylinders "when available" 1025 1030 BTU per cubic foot at 7' water column pressure. Credit will not be provided on unused cylinders.
- 18. All equipment using water must have inlet and outlet properly tagged.
- 19. All equipment must comply with state and local codes.
- 20. Edlen will not be responsible for moisture or water in air lines. Exhibitors should supply their own filter or other equipment to handle moisture or water.
- 21. For gas cylinders or any other special requirements call for a quote. Delivery charges will apply to any specialty equipment delivered and removed from the exhibitor booths.
- 22. Edlen must have 30 days notice in order to supply special regulators, strainers, traps, etc.
- 23. Credit will not be given for services installed and not used. All orders are subject to a 25% cancellation fee if cancelled in writing and received by Edlen (21) calendar days or less prior to the first contracted event move in date. Except sales tax, Edlen will not refund overpayment in amounts less than \$50.00 unless specifically requested in writing.
- 24. If the event is cancelled within 90 days prior to the first contracted event move-in day all orders are subject to a 25% cancellation fee. No refunds will be issued for events cancelled on or after the first contracted event move-in day.
- 25. Claims will not be considered or adjustments made unless filed in writing prior to close of the event; no exceptions.
- 26. Credit will not be given for outlets installed or connections made and not used.
- 27. Payment in full for all plumbing services provided must be made in full prior to close of the event.
- 28. It is agreed that in the event it becomes necessary to turn this matter over to an attorney for collection, or to file a lien, or foreclosure, or otherwise, exhibitor will pay Edlen its attorney fees or applicable agency fees.
- 29. A service charge of \$25.00 will be assessed for all returned checks or declined credit cards.
- 30. A service charge of 1.5% per month on any unpaid balances will be made starting 10 days after date of invoice.
- 31. Exhibitor hereby agrees to all terms and conditions outlined on all order forms and the Edlen General Data Protection Regulation (GDPR) privacy policy which can be reviewed by visiting: <a href="https://ordering.edlen.com/LegalNotices/Terms-Edlen-GDPR.pdf">https://ordering.edlen.com/LegalNotices/Terms-Edlen-GDPR.pdf</a>

POWER TO OPERATE ANY PLUMBING APPARATUS IS NOT INCLUDED.
ALL ELECTRICAL REQUIREMENTS MUST BE ORDERED ON THE ELECTRICAL FORM.
